experience

Located in the center of the Hudson River Valley with majestic views of the Catskill Mountains, Rhinebeck is a sophisticated four-corner town. Along with its rich history, scenic beauty and support for the Arts, Rhinebeck is easily accessible to New York City, rural upstate New York, the Berkshires and Connecticut.

The Village boasts tree lined streets that beckon you to meander for hours through very unique specialty shops.

Rhinebeck is a mecca for art & culture: music, dance, theater, independent film and visual art. With its fine dining, casual bistros, and a thriving locavore movement, Rhinebeck has been touted as one of America's best gourmet towns. From charming B&B's to exquisite hotels, there is a range of wonderful places to rest your head at night.
